Ready to move in ~ The price is right

This older double-wide mobile home is roomy, immaculately clean, and in very good condition. It is dated, is not on a permanent foundation, and the seller is ready to make a deal. The neighborhood and lot make this a good price.

The master bed & bath are on one end of the home, 2 bedrooms and the second bath are on the other end. The large living room and large kitchen both have nice views. A large dining room is on one side of the kitchen and the utility area with pantry are on the other. Go to the back yard through a large added on sun room.

Located in a nice neighborhood with a lovely well-maintained front yard. A large fenced back yard with a couple storage sheds is in need of a little TLC but the mature trees provide the anchors for a beautiful back yard.
